

The Manager's Monthly Minute

June 11, 2018

Greetings from Pilgrim Cove Camp in McCall, Idaho! The summer season is here and boy are we going to be busy! How blessed are we? ☺

We had amazing help getting the camp open over our work weekends in May. Between painting, dock work, and various other tasks, it truly takes many hands to get everything as it should be for our incoming guests. Thank you volunteers from the Churches and Just-Us for all you do!

We have already had one wedding here and are preparing for another one this week. It is always a joy to host couples starting their journey together. We have 7 scheduled for 2018 and 8 possibly 9 already scheduled for 2019! Pilgrim Cove Camp has become a wedding destination it seems. (We do not schedule weddings in July or August so this makes June and September VERY busy indeed!)

Future Activities/Events

Youth Camp is July 8th-14th this year. Laura Creech is always looking for great counselors and folks willing to share their time with our kids/youth. Contact your church leadership for more information. We are currently accepting applications for campers. You can find those at our website. Please don't let finances be an issue for campers. We have limited scholarship dollars but will do our best to work to get kids here!

Women's Camp will be August 7th -9th this year. We had an amazing camp and turnout last year. This year our study will be based on the UCC Faith Practice of Living and Playing Joyfully. I look forward to having ALL ladies and their friends here in AUGUST. Pastor Kathy from Wright Church in Boise as well as rev. Molly Carlson will be in charge of a rotation so come hear all they have to share. We will be sending out registration forms and more information in the next month. It is hard to believe it is only 2 months away!! One thing to note, this year camp will be \$65/person. We do have scholarship funds available so please don't let cost prohibit you from attending.

It is never too early to set aside dates for camp closing. This year we will winterize camp October 12th-14th.

Our weekends for 2019 are booked starting right after Easter through October. God is working overtime to get folks here! Thanks to all of your support in sharing your time, talents, and treasure!

How You Can Help

We are currently looking at upgrading the bathrooms at New Rice and that will take not only prayers but funding. If you feel led to contribute to that project we would certainly welcome your donation. As soon as we have a better idea of the final plans and cost, that information will be made available. We are estimating at least 20K. Oh, how the upgrade will be an answer to prayer! Thanks to those of you that have already made donations towards this great cause. Your generosity is truly appreciated!

Please know that Kari and I feel very strongly that as members and friends of the Idaho UCC churches, this is **your** camp. Please feel welcome and free to stop in any time you are in the area. We are more than happy to give you a tour or just have a chat. ☺
